

Onexte is an IBM Business Partner that is specialized licensing and implementing solutions to a broad of clients and Fortune 1000 Companies. We are authorized as a Solutions Provider and Implementation Partner for IBM Onexte provides Security Solutions, IT Services, SI, Cloud, and Mobility Solutions.

## Why Choose Onexte?

Onexte has a comprehensive, state of the art BigFix Lab that offers clients Proof of Concept, custom development and testing. Our BigFix team is staffed by highly certified professionals who specialize in all elements of successful endpoint solutions and deployments. From specifying, installing and configuring your infrastructure, to helping you choose and deploy the elements that will make your environment secure, flexible and scalable. Onexte consultants can work with you every step of the way to ensure that you, your employees, your business partners and your customers can take full advantage of all the potential that BigFix delivers.

> **Experience:** Onexte has worked with major organizations across various industries and across the country including financial services, healthcare, higher education and retail. The Onexte Security Team can help your organization be cyber resilient with the end-to-end management of security threats. We understand the security threat landscape and the necessary actions your organization needs to take to be in a defensible position.

> **World Class Facilities:** Onexte has a comprehensive, state of the art Security Lab that offers clients Proof of Concept, custom development and testing. Our Engineers and Architects are experienced and certified professionals who specialize in all elements of Security solutions and deployments.

> **Quality:** At Onexte, each project is assigned a quality controller who is typically another senior engineer that is not working directly on the project. The quality controller will review the project plan and SLA's and will ensure the project conforms to all agreed standards.

> **Flexibility:** From consulting, installing and configuring your infrastructure, to helping you choose and deploy the elements that will make your environment secure, flexible and scalable. The Onexte Security Team can work with you every step of the way.

> **Strategic Partnerships:** Onexte works with the leading security companies to co-build solutions and influence product direction. We bring industry-specific expertise by being involved with our partners' marketing- and customer-facing teams to accurately meet the needs of our customers.
